ARMED SERVICES COMMITTEE

RANKING MEMBER

ASSISTANT REPUBLICAN WHIP

March 30th, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Auburn University Space Manufacturing Center in fiscal year 2024. The entity to receive funding for this project is Auburn University, located at Samford Hall, Auburn Alabama, 36849. The funding would be used for the employment and development of new AM technologies that print parts and devices utilizing local resources.

The project is an appropriate use of taxpayer funds because it can assist in the advancement of in-space manufacturing efforts. The project has a Federal nexus because the funding provided is for purposes authorized by section 20102 of title 51, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Rogers".

Member of Congress
